

RBS-140

Round Blade Sharpening Attachment

Gyro-cutter, kebab knife or shawarma slicer – whatever you may call it, it's time to make it sharp again!

The RBS-140 Round Blade Sharpening Attachment fits most blade models for your round-blade electric knife. The accessory is specially designed and only fits the Tormek T-2 Pro Kitchen Knife Sharpener. It removes a minimum amount of steel and gives you a professionally sharpened blade in no time.
